## RUSH A SUCCESS: 17 PLEDGES!

Rush Chairs Drew Flood and Ryan Jensen report that the Fall rush this year has been extremely successful. They state that they have 17 new candidates for membership who will be participating in the pledge process in the hopes of attaining membership in TKE. They accredit the success of this semester's rush to careful planning and a great amount of active participation

Tree, and a wrap-around bench to create additional seating. This project is headed by the Landscaping Chairs this semester: Andy Henning, and Curtis Hendrickson. This is an extensive and on-going project but the amount of active participation so far has certainly alleviated these challenges.

## NEW HEGEMON ELECTED!

Curtis Hendrickson is our newly elected Hegemon for the Fall term 2010, and feels confident in his ability to shape the young group of candidates, and guide them to succeed in our process. Curtis believes their involvement in TKE will be extremely beneficial to their Cal experience, and he hopes to shape them into the leaders of tomorrow.

## Alumnus Spotlight

**Richard (Dick) Anderson** is class of 1957 and was initiated February 19, 1955. Recently Dick gave up his afternoon to help assist with the Backyard Renovations. Dick spent a sunny August afternoon with several undergraduates removing several large trees (of about 30) from the backyard in preparation for the expanded patio. Dick's help was greatly appreciated and his donated time and borrowed equipment helped save the chapter thousands of dollars! If you have a talent you would like to lend to the chapter make sure to let them know!

## Collegiate Spotlight

**Brett Goldstein** is in the class of 2012 and was initiated in fall 2008, He's studying Cognitive and Psychology and currently serves as the chap-

ter's Serenading and Socials chairs. In the past he was a member of the UC Men's Octet. Last spring break Brett gave up his vacation to help rebuild New Orleans as part of a service project – Now he would like to offer that opportunity to others, and is leading his own service project to New Orleans, and Brett could use your support! Donations of both money and frequent flier miles would be greatly appreciated in offsetting the cost of travel and lodging for the many Tekes Brett will be leading.
